

Western Michigan Appaloosa Regional May 2022 Newsletter

We're finally getting some decent weather to at least ride inside in between rain showers. I'm starting to get the trailer repacked after emptying it completely for some maintenance work done last fall. I am so looking forward to the first show!

For 2022, WMAR will only be having the Red, White & Blue Show at the Ingham County Fairgrounds June 11-12 and the WMAR/MAPHA & this year, BHAM Sizzler show August 5-7 at MSU. We are also approving the MAPHA Spring show at the Ingham County Fairgrounds, May 6-8 and the MAPHA Classic show August 26-28 at MSU. All shows will be offering All Breed classes so you can invite your non-Appaloosa owning friends to come show with us and see how much fun we have. For stall reservations, e-mail appaloosastalls@yahoo.com You do NOT need to prepay. Campsites are always first come first parked.

The WMAR Incentive Fund is a go for 2022 again. For just \$35, you can sign your horse up to receive ca\$h for the points you earn at WMAR approved shows. You can find the form on the WMAR website or at any of the shows. You must sign up before any points will be counted.

Speaking of the WMAR website, it has undergone some updates so take a minute to check it out at www.wmarappaloosa.com. Information can be found there or on the WMAR Facebook page.

'til next month,

Sharon Clark
